To qualify: You must own a home in Wisconsin AND occupy that home as your *primary residence on January 1* of the year in which the tax is levied. 2018 VILLAGE BUDGET

Similar to other communities, the General Fund, which includes most of the Village's operations, is largely dependent on property taxes. Of the Village's overall tax levy, the General Fund is approximately 40%. This budget works to maintain the level of service expected by our residents, but makes strategic program cuts to certain expenditures, moves some capital projects to future years, and captures additional tax revenue from new construction.

Debt Service: All General Obligation Debt Payments

Employee Payout: Fund held to cover benefit pay-outs on employee termination

WHERE DO YOUR PROPERTY TAXES GO? There are four taxing jurisdictions that make up the total of your tax bill. The chart below illustrates where your tax dollars go. The Village Treasurer's Office receives the annual levy amount from the taxing jurisdictions and calculates the tax bill. As part of the tax collection process, the Village distributes the taxes to each of the other jurisdictions: New Glarus Schools, MATC and Green County. The State of Wisconsin will not be collecting tax real estate and personal property taxes over the next two years.

VILLAGE BOARD: President-Roger Truttman; Trustees- Peggy Kruse, Denise Anton Wright, Petra Streiff, Anthony Edge, Barb Anderson, and Greg Thoemke.
