Utility Bill Explanation

Most residential utility customers have the following service charges on their monthly bills:

Electricity

Residential Customer Charge:	Electric Customer Charge. Set monthly fee based on customer type.
Residential Usage:	Electric Usage. Per kilowatt-hour (kWh) charge based on monthly readings
PCAC Residential:	Power Cost Adjustment Clause (PCAC). Per kilowatt-hour (kWh) charge based on monthly readings. State required calculation each month based on the cost of power supplied to the utility itself over the cost of the power sold to utility customers.
Commitment To Community:	CTC residential, per kilowatt-hour (kWh) charge based on monthly readings. Required by the state to collect monies for the commitment to community programs (Focus on Energy).
Sales Tax:	State Sales Tax (5.5%). Charged from May to October.
Electric Penalties:	Penalty charge for late payments (i.e., 3% of monthly past due balance or \$0.50 min).

Water

Water Base Residential:	Water service Charge. Set monthly fee based on the size of your water meter.
Water Usage Residential:	Water Usage. Per 1,000 gallon charge based on monthly readings.
Public Fire Protection:	Set monthly fee for public fire protection services provided by the village.
Water Penalties:	Penalty charge for late payments (i.e., 3% of monthly past due balance or \$0.50 min).

Sewer

Sewer Base Residential:	Set monthly fee based on the size of your water meter.
Sewer Usage Residential:	Per 1,000 gallon charge based on monthly readings.
Sewer Debt Residential:	Set monthly fee to recover debt for the sewer plant, based on the size of your water meter.
Sewer Penalties:	Penalty charge for late payments (i.e., 3% of monthly past due balance or \$0.50 min).

Storm

Storm Water Base Residential:	Storm Service Charge based on administration costs associated with the storm water Utility. Set monthly fee based on the permeable area of your lot. All residential properties are charged 1 ERU (Equivalent Runoff Unit).
Storm Water O&M Residential:	Storm Service Charge based on operation and maintenance costs associated with the storm water utility. Set monthly fee based on the permeable are of your lot. All residential properties are charged 1 ERU (Equivalent Runoff Unit).
Storm Penalties:	Penalty charge for late payments (i.e., 3% of monthly past due balance or \$0.50 min).
