GARBAGE COLLECTION

Garbage pickup is every non-holiday Monday (see attached calendar). Each household in New Glarus is required to have an automated garbage cart. To report problems with your cart please contact *Pellitteri Waste Systems* for assistance.

The best placement for the cart is at the end of the driveway or on the grass within two (2) feet of the street. Place your cart with the arrows on the lid of the cart pointing towards the street. The garbage and recycling carts should be placed together, with at least four (4) feet between them. Be sure the area where the carts are placed are away from obstructions like mailboxes, trees, and cars. Please do not place carts in the street.

RECYCLING COLLECTION

Recycling pickup will be every *other* week on Monday (see attached calendar). *Pellitteri Waste Systems* will utilize your existing green recycling cart for pick-up. If you need a new cart, or to report problems with your existing cart please contact *Pellitteri Waste Systems* for assistance. The lid on the cart illustrates correct placement of the cart at your curb.

Trash carts are the property of Pellitteri Waste Systems and the green recycling carts are the property of the Village of New Glarus. Please do not take the carts if you move. You are responsible for any missing carts or damages to the carts other than normal wear and tear.

COLLECTION TIMES

Items for collection shall be at the curb or near the street edge for collection by **7:00 a.m. on day of pickup [Monday] (including clean-up day)**. Pick-up times may vary from week to week. Trash and recycling carts are picked up at separate times during the day.

Schedule Changes will be posted on the Village website: www.newglarusvillage.com and published in the Post Messenger Recorder as time permits. Contact *Pellitteri Waste Systems* or visit their website at www.pellitteri.com to sign up for email blasts that include inclement weather delays.

RECYCLING

With single-stream recycling you do not have to sort your recyclables. **All recycling must be in the cart, with lid closed.** Recyclable materials should be clean and kept dry. Any item left in the cart has been rejected and will have a ticket in the cart explaining why it was rejected.

For a detailed listing of recyclable materials that may go in your cart, please see the attached information provided by *Pellitteri Waste Systems*.

SPRING CLEAN-UP

Spring Clean-Up Day will be held on **Monday, June 3, 2019**. Accepted items include: furniture, household trash, dry carpet (rolled and tied for one-person to handle), swing sets (dismantled), bagged box springs and mattresses, bed frames, gas grills (no tanks), charcoal grills, small lawn mowers or snowblowers (gas and oil must be removed). **NOT accepted:** e-waste including televisions and computer monitors, yard waste, building materials, tires, pianos, lead acid batteries, 55-gallon drums, household pesticides, concrete or dirt, oil tanks and filters, vehicle engine blocks, paints and thinners, and large appliances.

Large appliances (i.e. stoves, refrigerators, microwaves, etc.) In order to have a large appliance picked up **with the Spring Clean-up on Monday, June 3, 2019**, please contact the Village Clerk's Office at 527-3677 as those **will require the purchase of an appliance sticker**. To dispose of large appliances at any other time of the year, please contact *Pellitteri Waste Systems* directly.

E-WASTE

Wisconsin's electronics recycling law *prohibits the disposal* of various electronic devices such as: computers, computer monitors, printers, TVs, VCRs, DVD players and phones with video displays. Green County Landfill and/or Madison Area Rehabilitation Centers (608-273-3630) will accept electronic devices at a fee. More info on the E-Waste Law can be found at <http://dnr.wi.gov/topic/ecycle> or calling the DNR at (608) 264-6001.

BRUSH – YARDWASTE – LEAVES

Brush and branches for curbside pickup should be placed curbside by the *first day of each month from April through October for pickup within the 1st week of that month by the Village*. After October, brush must be dropped off at the brush pile on 2nd Street (north of 1st Avenue). Village residents can also drop off brush on the brush pile anytime.

Yard Waste must be composted or dropped off in the compost bunker located at the Village Garage at 93 – 1st Street anytime during the months of April-November. Only yard waste should be placed in the bunker. Yard waste will not be picked up curbside and should not be placed in the curb line for storage.

Leaf Pickup: Only leaves will be picked up with the Leaf Vacuum (yard waste cannot be vacuumed up). The Village will perform this service as weather permits during October through November. Leaves need to be raked into the gutter for this service.

Please Note: Bagged leaves, compost, and yard waste will not be picked up curbside.

BULK WASTE ITEMS

Bulk waste items can be disposed of at any time by calling *Pellitteri Waste Systems* at (800) 400-4285 and arranging the pickup or hauling directly to the Green County Landfill. For additional information and list of fees for specific items see the Village website at www.newglarusvillage.com/residents/garbage-recycling.

MISCELLANEOUS ITEMS

Batteries Car batteries can be dropped off during normal business hours at: Alpine Auto Electric, New Glarus Motors and Sugar River Power Center. Batteries shouldn't be cracked or leaking.

Compact Fluorescent Bulbs (CFLs)

Accepted at New Glarus True Value Hardware at a fee.

Tires Accepted at Green County Landfill. For additional information, including fees, please call the Landfill at (608) 897-8605 or check the Village website at www.newglarusvillage.com/residents/garbage-recycling.

Used Oil Accepted at Green County Landfill at a fee.

Oil Filters Used oil filters and oil absorbents are banned for disposal into landfills. Oil filters that are properly drained may be brought to the Green County Landfill at no charge or a salvage yard for recycling. More information can be found at <http://dnr.wi.gov/topic/recycling/oil.html> or you may contact the DNR at (608) 264-6286 or the Green County Landfill at (608) 897-8605.

Smoke Detectors Should be returned to manufacturer. These *cannot* be placed with garbage or recycling as they contain *toxic materials*.

Medications Prescription drug drop box located in the lobby at Village Hall. You may also contact Green County Health Department [<http://www.greencountyhealth.org> or 608-328-9390] for proper disposal. *Do not flush down the toilet or pour into drains.*

Paint Latex or water-based paint can be placed in your regular garbage cart (not recycling) provided the paint is completely dry and solid. Please place in a plastic bag. Can add clean cat litter to absorb paint until solid. Oil or lead-based paints should be disposed of at a hazardous waste site.

Hazardous Waste Disposal

Accepted at Green County Landfill from May 1 – October 31. For information on the specific items accepted for drop-off contact the Green County Landfill at (608) 897-8605.

For additional ideas on recycling and reuse of items, check out under the Residents tab – “Garbage & Recycling” on the Village’s website at www.newglarusvillage.com

RECYCLING *Tips*

- Containers containing food or liquids, construction waste or electronics CANNOT be placed in the recycling cart.
- Should you choose to bag recyclables you place into the cart, please use clear or transparent bags and leave open – do not tie or seal. Clear bags can be purchased at most grocery and hardware stores.
- Do not flatten or crush plastic or metal items. Do not place smaller items inside larger containers. All items should be loose and empty. Remove all food waste, plastic, Styrofoam & packing peanuts.
- Flatten cardboard boxes and cereal boxes to make room in the recycling cart.
- Your recycling cart will not be picked up if it contains trash, yard waste or prohibited items.
- Check out www.pellitteri.com for more information and a 7 minute video showing what happens to your recyclables. Call (608) 257-4285 if you have any remaining questions.
